**What Counts.**

An exchange says: "The candidate he kissed the babe, and rubbed the heads of Sam and Sue; he swore the twins were beautiful and wished that he had two—but that doesn't count. He asked about the cornbread that he vainly tried to chew, and forthwith begged a recipe, of course that tickled maw—but that doesn't count. But just before he left he stopped and winked and then closed up his jaw, and slipping out behind the barn he took a drink with paw and that's what counts."
